

# Make a refreshing change

A major FTSE 100 company, our client, **Enterprise Inns plc**, is one of the UK's largest pub companies. With an estate in excess of 7,800 leased and tenanted pubs, Enterprise Inns can offer exceptional benefits and exciting career development opportunities. Due to continued financial success and impressive portfolio expansion, two opportunities have arisen for an Estate Manager in the North East and an Estate Surveyor covering the Home Counties.

## **Estate Manager** Field-based, North East – Yorkshire & Humberside **Estate Surveyor** Field-based, Home Counties – South East

As an **Estate Manager** within Enterprise Inns, you will take full Estates responsibility for two Operating Divisions, consisting of around 900 pubs and associated holdings in Yorkshire/Humberside and the North East. This is a pivotal role, which involves managing a dynamic and fast-moving disposals programme, creatively implementing alternative use and development opportunities, dealing with all day-to-day estate management issues and management of a substantial non-licensed estate.

MRICS qualified and ideally with licensed/retail/multi-site experience, you will be at the right stage in your career to move into this client side role.

The ideal **Estate Surveyor** will be a graduate team player, with a self-motivated and mature attitude. You will be responsible for the Estate Management of one Operating Division of circa 450 pubs throughout the Home Counties under the guidance and supervision of the Senior Estate Manager. You will be recently or part-qualified RICS, with a minimum of one year's commercial property experience, possibly gained via a 'sandwich' degree course. This is a challenging role and you must be able to show your ability to balance a demanding workload with the commercial needs of the business. As an 'Investor in People', the company is willing to support candidates in the process of completing their RICS qualification.

Both roles offer a highly competitive blue-chip rewards package along with serious career progression opportunities.

If you would like to discuss either of these opportunities, please contact Ian Smith on 0772 404 6000, or Sandy Campbell on 07790 399647.
