Senior Surveyor £Excellent + benefits • Market Harborough

You will be responsible for assisting the strategic management, marketing and development of a £multi-million telecoms property portfolio. This will involve negotiating new lettings and upgrades, dealing with rent reviews and lease renewals, liaising with landlord and tenants on-site to ensure effective and proactive management, as well as co-ordinating internal processes and procedures.

Ideally MRICS, or of similar demonstrable calibre, Landlord and Tenant experience is fundamental to this role, as is the ability to demonstrate the skills required to progress towards motivating and managing an effective team of surveyors including APC candidates. You must be able to work unsupervised in a project management

capacity, prioritise a demanding workload and possess the necessary qualities to report at main board level.

In return, Fields & Towers offer an attractive salary package including car/allowance, pension, private health and bonus scheme, with early responsibility and a genuine interest in your career development and progression.
