Part of S&N, one of the world's leading beer-led beverages companies, Scottish & Newcastle Pub Enterprises (SNPE) is the leading leased pub operating company in the UK. Due to the continued success of their recent expansion programme SNPE is now responsible for developing and maximising the return from the leased estate of approx 2000 pubs in partnership with individual business people who are supported through a capital investment of over £10million per year.

As a member of a multi disciplined team, the successful candidate will be responsible for maximising the value of the licensed property portfolio of circa 250 pubs in the west region. The successful candidate will be a MRICS accredited with sound commercial experience gained from within an agency or principle organisation. The role will be pivotal within the management team reporting to the Senior Estates Manager and working closely with the Operations Sales Director.
