

Pub Acquisitions Manager

London/South East (Field-based)

Scottish & Newcastle Pub Enterprises (SNPE) is the leased pub division of Scottish Courage and operates over 1500 pubs in partnership with individual business people throughout the UK. SNPE is recognised as being the leading leased pub operator in the UK (Publican magazine, 2005) with some of the highest volume pubs in the most desirable locations.

Strong financial performance and continued success, coupled with ambitious targets to greatly increase pub acquisitions each year, has created a new role for an Acquisitions Manager based in the South East of the UK. The position will require a proactive, opportunistic, and entrepreneurial individual who can implement SNPE's corporate strategy related to the growth of the estate. Duties will involve research, identification, negotiation, acquisition, and eventual transfer of assets to the relevant Operations and Sales Managers.

Ideally MRICS qualified, part qualified or of demonstrable equivalent calibre, we are looking for someone who is commercially astute with drive, ambition, and enthusiasm who has either business experience in a customer-facing environment or within the pub retail/restaurant trade.

The successful candidate will also be required to demonstrate a thorough knowledge of the issues, which affect the profitable operation of licensed premises and the ability to plan, prioritise, and organise a demanding workload.

To reflect the nature of this opportunity, an attractive remuneration package, including bonus, fully expensed car/allowance and non-contributory pension is offered, coupled with unique prospects for long-term personal and professional growth.

To apply, please email your CV and covering letter, stating current remuneration to Sandy Campbell or Ian Smith at Selextion Recruitment, or contact them for further information, quoting reference 370815. All direct and third party applications will be forwarded to Selextion Recruitment.
